<b>Statement Balance</b>			<b>\$4,779.00</b>

*\*Certain aid requirements must be completed (ex., entrance counseling and promissory notes for loans) for aid to show as "Anticipated" credit(s) and disburse to the account. If you do not see a financial aid fund listed under Anticipated credit(s) you may not be registered full time, your loan may not be certified, and/or there may be additional requirements you need to complete. Anticipated credit(s) indicates the amount and type of financial aid funds (ex., scholarships, grants, and loans) expected to apply to the student account once the student completes all aid requirements, the funds have been received and regulations permit the disbursement of aid.*

Pay online at [my.wit.edu](https://my.wit.edu), or detach and include this remittance form for payments by mail.
